DISCLOSEABLE TRANSACTION SALE AND LEASEBACK ARRANGEMENTS

ENTERING INTO OF THE SALE AND LEASEBACK ARRANGEMENTS

On 1 December 2025 (after trading hours), XXF Group, an indirect wholly-owned subsidiary of the Company, and/or certain of its subsidiaries, together being the Lessees, and the Lessor entered into the Sale and Leaseback Agreements, pursuant to which (1) the Lessees agreed to transfer the Leased Assets to the Lessor at an aggregate total consideration of approximately RMB5,807,100 and (2) the Lessees agreed to lease back the Leased Assets from the Lessor for a lease period of 48 months at an aggregate total rent of approximately RMB6,441,826.

LISTING RULES IMPLICATIONS

Since 9 January 2025 and up to the date immediately prior to the Sale and Leaseback Agreements, the Group (through the Lessees) as lessees and the Lessor entered into the Previous Sale and Leaseback Agreements. The transactions contemplated under the Sale and Leaseback Agreements and the Previous Sale and Leaseback Agreements are aggregated as a series of transactions pursuant to Rule 14.22 of the Listing Rules.

As none of the applicable percentage ratios in respect of the Previous Sale and Leaseback Agreements exceeded 5%, the transactions contemplated thereunder did not constitute a discloseable transaction of the Company under Chapter 14 of the Listing Rules.

As the highest applicable percentage ratio in respect of the Sale and Leaseback Agreements and the Previous Sale and Leaseback Agreements, when aggregated, exceeds 5% but is less than 25%, the transactions contemplated under the Sale and Leaseback Agreements and the Previous Sale and Leaseback Agreements constitute a discloseable transaction of the Company under Chapter 14 of the Listing Rules and are therefore subject to the reporting and announcement requirements, but are exempt from the circular and shareholders' approval requirements under the Listing Rules.

Pursuant to Chapter 14A of the Listing Rules, Mr. Huang Wei (an executive Director and a substantial shareholder) is a connected person of the Company and therefore the guarantees given by him in respect of the Sale and Leaseback Agreements constitute financial assistance received by the Group from connected persons. As the relevant guarantees are on normal commercial terms or better and are not secured by the assets of the Group, the guarantees given by Mr. Huang Wei in respect of the Sale and Leaseback Agreements are fully exempt from the reporting, announcement, annual review and independent shareholders' approval requirements under Rule 14A.90 of the Listing Rules.

ENTERING INTO OF THE SALE AND LEASEBACK ARRANGEMENTS

On 1 December 2025 (after trading hours), XXF Group, an indirect wholly-owned subsidiary of the Company, and/or certain of its subsidiaries, together being the Lessees, and the Lessor entered into the Sale and Leaseback Agreements, pursuant to which (1) the Lessees agreed to transfer the Leased Assets to the Lessor at an aggregate total consideration of approximately RMB5,807,100 and (2) the Lessees agreed to lease back the Leased Assets from the Lessor for a lease period of 48 months at an aggregate total rent of approximately RMB6,441,826.

SALE AND LEASEBACK AGREEMENTS

The major terms of the Sale and Leaseback Agreements are set out below:

- Date: 1 December 2025 (after trading hours)
- Parties:
- (i) the Lessees (XXF Group and/or certain of its subsidiaries);
and
 - (ii) the Lessor (a limited liability company established under PRC laws)

Subject matter:

The Lessees agreed to transfer the Leased Assets to the Lessor at an aggregate total consideration of approximately RMB5,807,100 (the “**Sale Price**”), which was determined after arm’s length negotiations between the parties with reference to the aggregate net asset value of the automobiles, being RMB5,807,100, which was based on the total cost of procurement of the automobiles by the Group from its suppliers, including the purchase price, tax and/or automobile insurance payable by the Group. The Leased Assets did not generate revenue or net profits for the Group for the years ended 31 December 2023 and 2024.

Payment of the Sale Price shall be made by the Lessor prior to the commencement of the Lease Period to an account designated by the Lessees.

The Lessees will then lease back the Leased Assets from the Lessor for a lease period of 48 months at an aggregate total rent of approximately RMB6,441,826, comprising (i) the lease principal (which is the same amount as the Sale Price), and (ii) interest accrued thereon totaling approximately RMB634,726. The rent will be settled by the Lessees in installments in accordance with the repayment schedules attached to the Sale and Leaseback Agreements and the relevant finance lease confirmations.

The lease interest under the Sale and Leaseback Agreements was determined upon arm’s length negotiations between the parties with reference to the prevailing market interest rates of the same category of finance lease products with similar lease terms in the PRC.

Upon the expiration of the Lease Period and the settlement in full by the Lessees of all outstanding indebtedness under the Sale and Leaseback Agreements, the Lessees may purchase back the Leased Assets at a nominal consideration of RMB100 per automobile.

Pledge of assets:

The Leased Assets shall be pledged in favour of the Lessor until the full repayment by the Group of all indebtedness under the relevant Sale and Leaseback Agreements entered into between the Lessor and the Group pursuant to the relevant financing arrangements.

Guarantee: Mr. Huang Wei (an executive Director and a substantial shareholder) and XXF Group have provided a guarantee in favour of the Lessor pursuant to separate guarantee agreements for an aggregate maximum amount of up to RMB300,000,000 covering the lease principal, together with interest accrued thereon under the individual sale and leaseback agreements entered into and to be entered into pursuant to the Sale and Leaseback Agreements, together with all liabilities of the Group.

PREVIOUS SALE AND LEASEBACK AGREEMENTS

Since 9 January 2025 and up to the date immediately prior to the Sale and Leaseback Agreements, the Group (through the Lessees) as lessee and the Lessor as lessor entered into an aggregate of 395 Previous Sale and Leaseback Agreements.

The table below sets out information about the Previous Sale and Leaseback Agreements on an aggregated basis, including: (i) the approximate range of lease principal at which the Previous Leased Assets were leased back by the Group from the Lessor (being the same amount as the consideration for the sale of the Previous Leased Assets by the Group to the Lessor); (ii) the approximate range of total rent (inclusive of the lease principal and the interest accrued thereon) payable by the Group to the Lessor; and (iii) the approximate range of net asset value of the Previous Leased Assets under the Previous Sale and Leaseback Agreements:

Date of agreement	Approximate range of lease principal (RMB'000)	Approximate range of total rent (RMB'000)	Approximate range of net asset value of Previous Leased Assets (RMB'000)	Lease period (months)	Range of annual interest rate (range)
Between 9 January 2025 and 30 November 2025	57 to 6,474	65 to 7,345	57 to 6,474	48 months	Approximately 5% to 6.8% p.a.

Save for the information set out in the table above, all material terms of the Previous Sale and Leaseback Agreements are substantially the same as those of the Sale and Leaseback Agreements as disclosed above.

The amounts of the consideration for the transfer of the Previous Leased Assets (being the same amount as the lease principal for the corresponding Previous Sale and Leaseback Agreements) under the Previous Sale and Leaseback Agreements were determined after arm's length negotiations between the parties with reference to the net asset value of the relevant automobiles, which was based on the total cost of procurement of the automobiles by the Group from its suppliers, including the purchase price, taxes and/or automobile insurance payable by the Group. The lease interest rates under the Previous Sale and Leaseback Agreements were determined after arm's length negotiations between the parties with reference to the prevailing market interest rates of the same category of finance lease products with similar lease terms in the PRC.

REASONS FOR AND BENEFITS OF ENTERING INTO THE SALE AND LEASEBACK AGREEMENTS

As an automobile retailer, the Group procures automobiles from suppliers from time to time for trading and for use in its automobile finance lease business in its ordinary and usual course of business.

By entering into the Sale and Leaseback Agreements, the Group can diversify its financing channels, optimise its capital structure and replenish capital required for its operations, thereby enabling the Group to capture business development and expansion opportunities.

In view of the above, the Board (including the independent non-executive Directors) considers that the terms of the Sale and Leaseback Agreements and the transactions contemplated thereunder were arrived at after arm's length negotiations between the parties, are on normal commercial terms or better, and are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

FINANCIAL IMPACTS AND USE OF PROCEEDS

The funding from the transactions contemplated under the Previous Sale and Leaseback Agreements and the Sale and Leaseback Agreements has been or will be used for financing the procurement of the relevant automobiles by the Group from suppliers.

In respect of the Previous Sale and Leaseback Agreements, the transactions thereunder were accounted for as financing arrangements and did not have any significant immediate effect on the earnings of the Group. The Directors expect that the transactions contemplated under the Sale and Leaseback Agreements will also be accounted for as financing arrangements and therefore will not have any significant immediate effect on the earnings of the Group.

The Sale and Leaseback Agreements are not expected to result in any material gain or loss on disposal of the Leased Assets for accounting purposes. The Leased Assets will continue to be recognised as assets of the Group and the lease principal will be recognised as borrowings, with the interest portion of the rent being recognised as finance costs over the relevant lease periods.
